March 19, 2020

[View in Khmer](#)

Beginning Monday, March 23, the Long Beach Unified School District will be sending home learning opportunity information to general education and special education students and their families. These opportunities are for the period between Monday, March 23 and Thursday, April 9. These lessons and resources have been developed to support students' continued learning in their grade level and/or coursework through April 9 (the day before our planned April 10 Admission Day holiday and the planned spring break the following week). These home learning opportunities will not be graded.

Also starting Monday, March 23, meal service will continue from 8 to 9 a.m. for breakfast and 11:30 a.m. to 1 p.m. for lunch at all schools except Beach/Reid, Browning, CAMS, Lowell, Millikan, Naples, PAAL, Renaissance, Sato and Stanford. Those schools will no longer serve meals during the school closure period. Starting Tuesday, March 24 the remainder of schools offering meals will transition to one pick-up period, from 11:30 a.m. to 1 p.m. During that time, students can receive lunch along with food items for the next day's breakfast. Students who attend schools that no longer serve meals can still receive meals at their nearest school. [Find a map of LBUSD schools here](#) or at lbschools.net under ABOUT > Map.

If you need a Chromebook, devices will be available starting on Wednesday, March 25. Schools also can provide information about gaining access to the internet at home, for families that still need access. More specific information will be available next week. Home learning materials also will be provided in paper form to families as needed starting Tuesday, March 24.

Pronto habrá oportunidades de aprendizaje, Se han actualizado los sitios de comida

A partir del lunes, 23 de marzo, el Distrito Escolar Unificado de Long Beach enviará a los hogares información sobre la oportunidad de aprendizaje para los estudiantes de educación general y educación especial y sus familias. Estas oportunidades son para el período entre el 23 de marzo y el 9 de abril. Se han desarrollado las lecciones y los recursos para apoyar el aprendizaje continuo de los estudiantes en su nivel de grado y/o trabajo de curso hasta el 9 de abril (el día antes de

celebrarse el festivo de Admisión [Admission Day] el 10 de abril y nuestras vacaciones de primavera planeadas para la siguiente semana) y no serán calificadas.

El lunes, 23 de marzo, el servicio de comidas continuará de 8 a 9 a.m para el desayuno y de 11:30 a.m. a 1 p.m para el almuerzo con la excepción de Beach/Reid, Browning, CAMS, Lowell, Millikan, Naples, PAAL, Renaissance, Sato y Stanford. Estas escuelas ya no servirá comidas durante el cierre de escuelas. A partir del martes, 24 de marzo, las demás escuelas pasarán a un solo período para recoger comida, de 11:30 a.m a 1 p.m. Durante ese tiempo, los estudiantes pueden recibir el almuerzo junto con los alimentos para el desayuno del día siguiente.

Los estudiantes que asisten a las escuelas que ya no sirven comida, pueden seguir recibiendo comidas en la escuela más cercana. Encuentre [un mapa de las escuelas del LBUSD](#) aquí o en lbschools.net en ABOUT > Map.

Si necesita una computadora tipo Chromebook, estarán disponibles a partir del miércoles, 25 de marzo. Las escuelas tienen información sobre acceso al Internet para las familias que todavía no tienen. Información más específica estará disponible la semana que viene. Los materiales de aprendizaje en casa también se proporcionarán en papel para las familias según sea necesario a partir del martes 24 de marzo.
