

Toddler 1 Newsletter March 2010

Focus:

This month we are talking to the children about sharing. We are encouraging the children to take turns when playing with a toy that another friend would like to play with. We also know that sharing is a little challenging at their age, but we would like for you to encourage them to do the same at home. Thank you.

Special Events:

March 12th -Closed for our staff In-Service

March 14th -Daylight Saving

March 17th -St. Patrick's Day (wear green)

We will be raffling off baskets March 8th-19th for our spring fundraiser. Please, stop by the front desk to see all of the wonderful items.

Parent Reminders:

*It's very important that you label your child's clothing with their name. This will help your child's personal items from disappearing and getting misplaced.

*It is highly encouraged that you and your child wash hands when you enter the classroom to help prevent any outside germs or viruses from spreading in the class.

*Please make sure to check your parent files for any important upcoming events.

Thank you for your continued support in helping our classroom run smoothly.
