### Come Join Our Class

Parents and families we would like to promote more family activities involvement within the center. This can be done from sharing a special book with the children, cooking a special dish, or simply coming to play with the children. If you are interested in coming on your own time please discuss it with one of the toddler 2 teachers. Your child and the teachers will appreciate your time.

### Reminders

Parents, now that summer is on its way, we ask that you apply sunscreen on your child before arriving to school. We will then do our part and apply more sunscreen if needed. Our swim day will be every Friday of the month starting July 2. Also, we encourage you to avoid bringing toys from home due to limited cubby space. However, we will be starting a toy share day every Wednesday. We thank you for your cooperation in keeping the classroom running smoothly.
