

July 2020 Newsletter WE Are LBDN Preschool

Dear WE Are LBDN Preschool Families,

We cannot believe it's already July and our 4th month of remote learning! This month will be all about animals: ocean, zoo, farm and forest animals! The weekly activities will be sent home through an email on Mondays and as always, these activities are optional but highly encouraged! Each week your child will be invited to two (2) zoom calls with his or her class! Days and times will be provided to you through an email as well. Just like the activities, the zoom calls are optional but highly encouraged as we will sing songs, read stories, complete activities and spend some time together as a class! At any time you can check the Long Beach Day Nursery website (lbdn.org) for updates on COVID-19, as well as family and distance learning resources. Please contact your branch's center director if child care is needed. You can also contact your child's teacher for any questions, comments or concerns you may have! We will do our best to support you in any ways that we can!

Thank you!
WE Are LBDN Preschool Team
