Dear Parents;

Outdoor activities are essential to your child's development; there are endless outdoor activities in which your children can engage in. Some of those activities will be seen in our next unit. We will be exploring with your children different large motor activities like Ice Hockey and Parachute Pop the Bubble. Also, within this unit, your children will explore and become more familiar with ocean animals and sea life. In addition summer activities on the beach, water safety, sun protection , and beach attire.

Some activities planned to help enhance your child's learning at school include:

- Balloon Volleyball
- Paper Plate Skating
- Swimming
- Cooking: Frozen and Fresh Foods (Science)
- Literacy books and activities.

At Home Activities to do:

- Bike riding, roller skating, and water fun
- Enjoying activities at the beach
- Having your children help wash the dishes will help them develop eye and hand coordination and build small motor strength in their hands.

Happy Birthday!!!!
