News Letter

Room 4

Dear Parents,

This month our focus will be Dental Health. Children are very aware of their teeth at their age. Many of the older five year olds will soon begin losing their baby teeth. Through the experiences provided in this unit the children will learn that the dentist is a person who helps us keep our teeth healthy. They will also learn the importance of tooth care such as brushing before and after meals, flossing, and healthy foods to eat.

Classroom Activities:

- Science Egg Experiment
- Art Healthy Food Collage
- Language “Andrew’s Loose Tooth”
- Cooking Fruit Kabob
- Math How Many Teeth Do You Have?

Mark Your Calendar:

LAUP Sign Up-August 3, 2010 @ 6:00 p.m.

LBDN Annual Picnic@ Heartwell Park-August 14th 11:00a.m.-2:00p.m.

Happy Birthday

Ashley 8-1-2010
Kimberly 8-6-2010
Adrian 8- 8-2010
Stephen 8-11-2010
