29		30 <u>Art</u> Sea Animal Prints	31 <u>Science</u> Sand with Sea Shells				

## Room 5 Newsletter August 2010

Dear Parents,

For the month of August we will be focusing on sea animals. We will learn about all the different sea animals and how they live in the ocean. One of the many activities we have planned is find out what sea animals we like best. We will ask the children, “What sea animal is your favorite?” and then we will make a classroom graph based on the information we gather from the children.

Last month we focused on summer fun. The children learned many water safety rules and how to be safe while swimming. They are doing a very good job remembering the rules. The children are really enjoying all the summer fun here at Long Beach Day Nursery and look forward to learning about sea animals this month.

Reminders:

- ♦ LAUP Sign-Up- Tuesday, August 3, 6:00pm
- ♦ Long Beach Day Nursery Family Picnic at Heartwell Park, Saturday, August 14, 11am - 3pm
- ♦ Every Wednesday is Swim Day and Share Day
