# *Toddler-1 April Newsletter*

Dear Parents,

During the last month we practiced our colors. We practiced recognizing our colors by what we were wearing, the colors we used to do art work, etc. We also did a color dictation. Question: What can you tell me about the color \_\_\_\_\_?(each child got a different color.) Here are some of the answers:

What can you tell me about the color green, Kevin? (Holds the color with his fingers)  
“Ummm...Eee...Daaa...Color. (Nods his head.) Green.”

What can you tell me about the color black, Baylynn? “Black. It’s black. Black. (Holds the crayon and looks at it.) Hmmm... Yes.”

This month our theme will be Numbers. We will be focusing on numbers 1-5. We will practice both counting and recognizing numbers.

**Birthdays:**

4/30/2010- Baylynn Barrios \*Happy Birthday\*
