

June 2020 Newsletter WE Are LBDN Preschool

Dear WE Are LBDN Preschool Families,

It's now our 3rd month of remote learning! Hopefully the children are getting the hang of it and are staying happy, engaged and learning! This month's theme will be all about the **basics**: colors, shapes, letters and numbers! The activities will be sent home through an email on Mondays and as always, these activities are optional but highly encouraged! Each week your child will be invited to two (2) zoom calls with his or her class! Days and times will be provided to you through an email as well. Just like the activities, the zoom calls are optional but highly encouraged as we will sing songs, read stories, complete activities and spend some time together as a class!

At any time you can check the Long Beach Day Nursery website (lbdn.org) for updates on COVID-19, as well as family and distance learning resources. You can also contact your child's teacher for any questions, comments or concerns you may have! We will do our best to support you in any ways that we can!

Thank you!
WE Are LBDN Preschool Team

Important Information:

2020 Census

Because census results help determine where federal funds are distributed for programs that are important for children, an accurate count can shape a child's future for the next decade and beyond. It's important to count young children now so they have the resources they need as they grow up. It all begins with responding to the 2020 Census.

Please remember to fill it out, if you haven't already, as soon as possible!

Weekly Family Engagement

Monday:

- Weekly Activities Email
- Zoom Call Information Email
- Weekly Phone Call Check In

Tuesday:

- Zoom Calls: Ms. Samantha, Ms. Diane, Ms. Naomi, Ms. Larae, Ms. Aurora & Ms. Iveth
