Subject: #CensusInSeptember Social Media Toolkit

Hello All,

I hope you are all having a great start to your week!

September 30th is the last day to submit the 2020 census, making every day from now until then very crucial in the campaign to get Long Beach kids counted! To help in this home stretch, a toolkit has been put together for all of our ECE partners to utilize on social media platforms.

We are so excited about this toolkit and hope that you'll join us as we enter the last month of census outreach! Your partnership is vital in getting our kids counted in the census. Please help us reach more families by utilizing this toolkit for the month of September. If you need help with scheduling posts or have issues with accessing the materials, please do not hesitate to reach out.

Please see below:

- **Before using the toolkit, please be sure to check out the informational PDF** that has detailed instructions, examples, as well as important dates to keep in mind. You can find it here: <https://bit.ly/3j9nCze>
- To access the full toolkit (images, captions, etc), please follow this link: <https://bit.ly/3j8aDha>

- ***La seguridad es de suma importancia cuando se trata de nuestros niños y el entorno en el que nos encontramos. Por favor, tenga en cuenta que debe estar atento a su entorno en todo momento, ya sea en el hogar, las tiendas de comestibles o cualquier lugar público cuando salga con los niños. Tenga en cuenta que debe estar siempre atento a sí mismo y a los que están con usted y recordar siempre a los niños que practiquen la seguridad para protegerse de los peligros que puedan ocurrir.***
- ***Padres, si aún no han completado sus formularios del Censo de 2020, hágalo lo antes posible. La fecha límite para completar esto es el 30 de septiembre de 2020. Recuerde, completar el censo es importante de muchas maneras. Así es como recibiremos muchos programas y beneficios de nuestros funcionarios gubernamentales.
